On Tuesday, February 5th, 2019 shortly after midnight, the Acworth Police Department was dispatched to a suspicious person call in the Enclave at Historic Acworth subdivision. A white male wearing a white hooded sweatshirt bearing the words "Thoroughbred Diesel," with facial hair and possibly a tattoo on the left side of his neck, rang the doorbell in an attempt to make contact with the homeowners. The suspect appears to be holding a knife in his left hand. The pictures were captured on a home security video system.

Detectives are actively working the case and canvassing the area. We are making contact with those who have registered their home security camera system with the Acworth Camera Connection program. We strongly urge anyone who has home security cameras to register them with the Acworth Police Department. Registration is quick and easy. Visit www.acworthpolice.org to sign up today! Anyone with information in this case is asked to contact the Acworth Police Department at 770-974-1232.
