Date of Release: 5/25/2022

On May 25, 2022 Officers with the Acworth Police Department responded to a call of burglary at 4739 South Main Street, the business of Texaco Food Mart. Officers discovered through video surveillance that a subject (wearing a black hoodie, black face mask, long green pants and black and white shoes) exited a white Ford Transit U-Haul van and forcefully entered the business. The subject then made attempts to remove the ATM that was bolted down inside the business. After failed attempts the subject then backed the Ford Transit U-Haul van into the front of the business, knocking the ATM loose. The subject then loaded the ATM into the back of the vehicle and left the scene.

Investigators later located the Ford Transit U-Haul van at a store on Canton Road, which at that time they confirmed the U-Haul van to have been stolen.

The Acworth Police Department's Criminal Investigation Division is continuing to work this case.
